ASRS News

Watch your mail for your annual Member Statement

The ASRS is in the process of mailing annual Member Statements to all active and inactive members. Watch for your personalized statement in the mail soon.

This year, the Member Statement has been expanded to four pages and includes your personal data on file, beneficiary information, salary history, account activity, a summary of service purchases and information on maximizing your ASRS pension benefits.

Also included are benefit estimates for your monthly pension when you retire. You'll see an estimate of what your pension would be if you retire at the earliest opportunity, or continue working until you reach normal retirement. These are estimates only, based upon your current salary and projected years of service.

Your annual statement provides an opportunity for you to verify information on file at the ASRS. It's important for members to check and verify information such as your beneficiaries, your address and other personal information.

Be sure to watch for your statement, read it carefully and file it with other important personal papers!

Contribution rates set for next fiscal year

As required by state statute, the Arizona State Retirement System adjusts contribution rates every two years to ensure the pension plan, retiree health insurance supplement plan and long-term disability plan remain fiscally sound.

Due to a variety of factors, including past benefit increases, low mid-term investment returns and changing demographics of the ASRS membership, the ASRS will be increasing contribution rates for the period from July 1, 2005 through June 30, 2007. These new rates will take effect July 1, 2005.

- **Retirement and Retiree Health Insurance Plans:** Increase from the current 5.2 percent of employee and employer contributions to a rate of 7.75 percent.
- **Long Term Disability Plan:** No increase from the current 0.50 percent of employee and employer contributions.
- **Combined Contribution Rate:** Increase from the current 5.70 percent to 8.25 percent.

Additional information on the new rates is posted on our website, www.asrs.state.az.us.

Let us help you plan your retirement

The Member Services Division of the ASRS conducts educational meetings available to all members. As our membership continues to grow, we continue to look to improve our services. Effective January 1, 2005, the ASRS will offer three different types of meetings to assist you on your path to retirement: **Group Meetings, Seminars and Service Purchase Meetings.**

- **Group Meeting:** Are you planning to retire within one year? In preparation for retirement, learn about potential monthly benefits and options available, completing retirement paperwork, health insurance, and returning to work policies after retirement.
- **Seminar:** Open to all members. In preparation for retirement learn about the ASRS, benefits as an active, inactive and retired member, member responsibilities, how retirement benefits are calculated, wills and trusts and Social Security benefits.
- **Service Purchase Meeting:** Open to all members. Learn about the Service Purchase process, types of service purchase, cost calculations, and payment options.

Reservations are required and can be made by calling our offices at (602) 240-2000 in Phoenix, (520) 239-3100 in Tucson and 1 (800) 621-3778 outside Phoenix and Tucson.
